# ABOUT US

- ❖ Established in 2014 to provide world-class Engineering solutions across industries.
- ❖ Experienced industrial system specialists and end to end solutions for electro-mechanical systems.
- ❖ Solutions for manufacturing industries, research and development setups, energy plants, institutions, aerospace, medical, small, medium and large-scale industries.
- ❖ Specialize in building Industrial auto machine, simulation and validation rigs, ergonomic test rigs, automated assembly lines , precision machining components, special purpose Machines (SPMs), Test jig's & Fixture's and Cable harness

# WE ARE INTO

Design, Development ,manufacturing, Installation & Commissioning of:-

Test Rig's & Simulation

ATE's (Automated Test Equipment)

SPM's (Special Purpose Machines)

Special Jigs and Fixtures

Precision manufacturing

# INDUSTRIAL SECTOR

# OVERVIEW

- Completed over 100+ Test Rigs and Simulations in Automobile sector
- Completed 200+ SPMs
- More than 500+ special jigs and fixtures
- Best localization developments products more 25+ products
- More than 100+ ATEs developments
- 20+ successful relocation of manufacturing plant

# WHY KIET

- ❖ Cost effective
- ❖ Innovative developments
- ❖ On time delivery
- ❖ Quality
- ❖ Skill evolution
- ❖ Best in support and services

# ACHIVEMENTS

- ❖ Head up display simulation to Benz
- ❖ Two-wheeler Ergo Buck to Ola
- ❖ GCU testing machine to Macurex
- ❖ Car Seat function test rig to Krishna Maruthi
- ❖ RT Nut assembly fully automated machine to Bosch
- ❖ DCDC feed through connector to Robert Bosch, Germany

Head up display simulation to Benz

Two-wheeler Ergo Buck to Ola

❖GCU testing machine to Macurex

❖Car Seat function test rig to Krishna Maruthi

● ○ REDMI NOTE 5 PRO  
MI DUAL CAMERA

● ○ MI DUAL CAMERA  
REDMI NOTE 2 PRO

❖ RT Nut assembly fully automated machine to Bosch

❖ DCDC feed through connector to Robert Bosch, Germany

# AWARDS AND RECOGNITION

## Best supplier award

THANK YOU
